

Not Quite Classic Waldorf Salad

1 medium apple, diced
juice of 1/2 a lemon
1 rib celery, diced
1/2 cup pecans, chopped
1/2 cup dried cranberries
1/2 (or less) cup mayonnaise
Salt and pepper

Core but do not peel the apple and cut it into bite-sized cubes. In a medium bowl, sprinkle the lemon juice over the apple and toss to combine. Add the celery, pecans, cranberries and mayonnaise. I usually use slightly less than 1/2 cup; just enough to bind the salad ingredients together.

Season to taste with a small amount of salt and pepper. Serve either cold or at room temperature.

Enjoy!
